

Your Week in Review

June 25 - July 3

Below you will find how many patients were educated with CheckedUp this week, as well as how many patients were completed on the Practice Portal. Only completed patients will influence your CheckedUp Conversion Rate.

Dr. Matossian

Patients Educated with CheckedUp

patients educated this week / physician's weekly target

Patients Completed in Practice Portal

total patients completed / total of patients educated

70%

Doctor's Historic Conversion Rate

53%

Dr. Vedula

Patients Educated with CheckedUp

patients educated this week / physician's weekly target

Patients Completed in Practice Portal

total patients completed / total of patients educated

70%

Doctor's Historic Conversion Rate

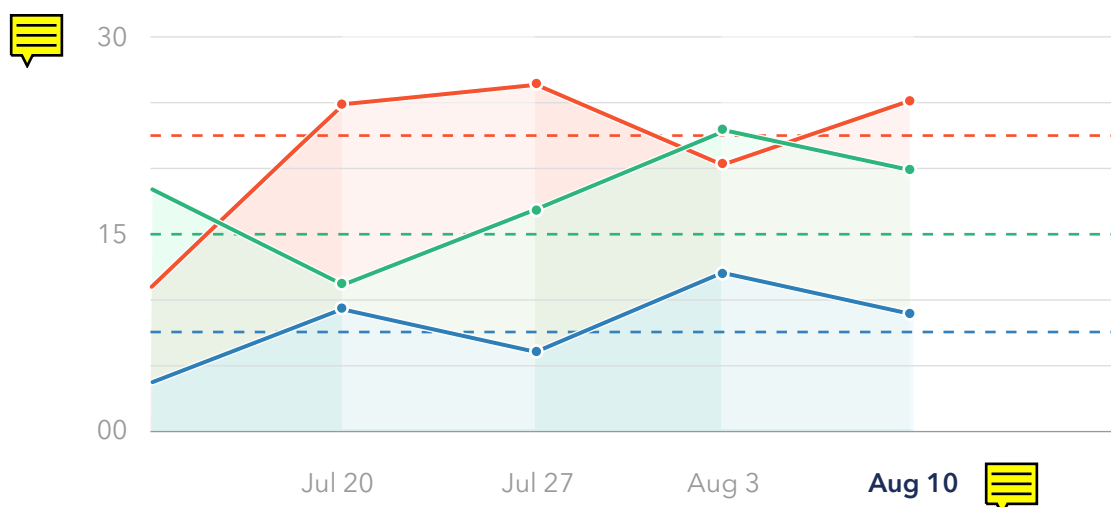

53%

Conversion Rate with CheckedUp

The Conversion Rate with CheckedUp is solely dependent on the amount of patients that have been completed in the Practice Portal. The more up-to-date and complete the Practice Portal is, the more accurate your conversion rate will be.
